Dear Valued Donor,

The Borrego Open Golf Tournament is about to kick off its **60th annual golf tournament** in Borrego Springs on April 11th-12th. This tournament started off with four young families in 1966 and has grown over the years to include about 50 golfers each year.

Monies raised over the last 60 years have benefited various organizations, but over the last 20+ years, our golf tournament has **raised over \$92,000 for the Borrego Springs Children's Center**. Our efforts have funded everything from new playground equipment, shade structures, new flooring, computers, tablets, and other essential school supplies for young children in need.

Over the last 13 years, we have **increased our annual donation to \$5,000-\$7,000/yr**. One of our many fundraising efforts is a prize drawing during the weekend of our tournament. The prize drawing alone raises about \$2,000-\$3,000/yr and **100% of the proceeds from the drawing go directly to the Children's Center**, where our impact is realized the most.

The Borrego Open Golf Tournament and, most importantly, the Borrego Springs Children's Center would be humbled by any **donation of gifts cards and/or prizes** to garner maximum interest and investment in our prize drawing.

We're a simple group with a simple goal, **support the children and the community of Borrego Springs**...oh and maybe golf a little bit too! To learn a little bit more about what our golf tournament is all about, you can visit [www.borregoopen.org](http://www.borregoopen.org).

All the best,

The Borrego Open Golf Tournament  
"It's not about the golf!"
