It's hard to believe that another year has already passed by. We hope that everyone had a wonderful time here in Borrego, it was great to see you all out on the course enjoying yourselves.

We hope that you saw the fun signs that the Children's Center put out for you on the golf course, we wanted you to know just how much we appreciate all of you. Thank you so very much for the donation of \$7,000.00, this means so much to the families of Borrego.

I would like to take a moment to tell you what we will be doing with the funds that you sent to us. Many of our families in Borrego work two to three jobs to make ends meet and we also have single parents that struggle. Our goal is to help these families out by having a tuition assistance program which helps these families pay for childcare so they can continue to work without having to worry about their child because we are here to offer their child support, love and the beginning of early education that will help them prepare for kindergarten. The first five years of a child's life begins their foundation in learning, health and behavior and we are proud to be able to be part of that, thanks to you.

Your continued support every year shows us that you truly do believe that "It's Not About The Golf". "It's All About The Kids". We are the ones that are lucky to be associated with your wonderful organization. Thank you again for caring about the Children and Families of Borrego Springs. We are grateful to all of you, you have the biggest hearts by PAR (you must love my golf puns).

Forever Grateful,
